

SAMI Launch—21st March 2012

We would like to welcome you to the official product launch of SAMI - a Staffing Analytics and Management Information system.

SAMI has been created in conjunction with an industry leading client and is currently the only BI product on the market designed specifically to address the challenges of the Staffing Industry.

We hope that you enjoy the session and find it interesting. If you would like to discuss in more detail how SAMI could benefit your business, please do let one of the Whistlebrook representatives know today, or call Andy, Jef or Mark on 01480 309550.
